

Volunteering Teams in High Priority Areas Project

This year is an important year in Galicia region in the northwest of Spain, because it will be a **Jacobean Year** and Santiago de Compostela will receive a thousands of pilgrims in the pilgrimage routes "El Camino de Santiago".

We will offer volunteers from all over Europe the opportunity to cooperate and to help, among with other youth, a lot of pilgrims and "albergues" (shelters) along the different routes of the Camino. They will have an opportunity to live an intercultural experience, to promote the "Camino de Santiago" and the European Solidarity Corps, through collaboration and integration in the activities that the Jacobean provides to pilgrims and Galician citizens on the occasion of the 2021 Xacobeo Holy Year. Project is implemented in cooperation with Spanish regional government.

The project will have different activity dates starting on April 2022 and the volunteers will be hosted during 2 months in different locations of Galicia, cooperating in the shelters for pilgrims.

We will send volunteers from Estonia at the same time for 2 months period as follows:

- June and July 2022
- July and August 2022
- August and September 2022
- September and October 2022

Please send further questions and applications to volunteer@involved.ee
