

Performance ESC-Project Germany Kindervereinigung e.V. Seelow

Our partner organisation, Kindervereinigung e.V. Seelow, has since many years international experiences in youth and children work in the age 6-29 years in the city youth house Seelow and in the holiday camp nature experiences destination in the nearby city of Lebus.

Intercultural dialogue and experience exchange, organisation of free time activities for children and youngsters, meetings with the civil citizen, multicultural and creative youth work all the fields for motivated volunteers from Erasmus European Solidarity Corps.

They work with socially disadvantaged children and youngsters and organise free time activities with minority groups. Since many years they have good experiences with European volunteers and German volunteers in their daily work. German youngsters and European volunteers are working together in all fields of youth work. Pedagogical persons and leader in their team have great experiences to work in target groups and are helpful to our volunteers.

The Youthpass certificate after the volunteer time will help find a good start in the job possibility in the home country of the volunteers.

Support language school with different lessons in German language.

Example activities for volunteers:

Our organisation, Kindervereinigung e.v. Seelow, has since many years international experiences in youth and children work in the age 6-29 years in the city youth house FRIZZ Seelow and in the holiday camp nature experiences destination in the nearby city of Lebus.

Intercultural dialogue and experience exchange, organisation free-time activities for children and youngsters,

meetings with the civil citizen, multicultural and creative youth work all the fields for motivated volunteers from Erasmus European Solidarity Corps.

We work with socially disadvantaged children and youngsters and organize free-time activities with minority groups.

Since many years we have good experiences with European volunteers and German volunteers in our daily work.

German youngsters and European volunteers working together in all fields of youth work.

Pedagogical persons and leader in our team has experiences to work in target groups and are helpful to our volunteers.

The youth pass certificate after the volunteer time will help find a good start in the job possibility in the home country of the volunteers.
